

Instructions: 2024 Car Dealers AML/ CFT Survey

This document provides the definitions and instructions that will help an obliged entity in completing the AML/CFT Risk Assessment Information Request. There are five tabs to be completed: 1) Customer Risk, 2) Products, Services, & Transactional Risk, 3) Distribution Channel Risk, 4) Controls and Quality of Risk Mitigation, 5) Signatories. The questionnaire should be completed in full. The questionnaire may be submitted incomplete when all information on the last tab has been provided, including the reason for submitting incomplete. Failure to provide required information may result in enhanced oversight or other action.

The following are applicable to all questions, unless otherwise specified:

- Responses provided should include activity related to when your entity provides products or services to clients that fall under the scope of AML/CFT regulation in Monaco.
- The reporting period is 1st January 2023 to 31th December 2023.
- Questions related to number of clients shall include clients that are active at the end of the reporting period and clients that were at some point active during the reporting period.
- The term "unique clients" denotes that while a client might have several accounts it should only be counted as one client.
- Questions related to number or value of transactions are relevant for activity performed within the reporting period.
- All questions to provide monetary values require an answer in EUR. Only value questions are indicated with the currency symbol € in the survey.
- All questions asking for responses with country breakdown are ISO 3166-1 Country Names or can be answered with the Bulk-paste feature when using country names, or the ISO 2-alpha, 3-alpha, and 3-numeric codes. A link to the acceptable country names and codes exists on the Bulk-paste popup window. This window is accessible for questions having the symbol ①.
- If the nationality, residency, or other requested breakdown is unknown, please select "Unknown" from the dropdown.
- For questions related to legal entity / profession type and business classification types, NIS or NACE code systems may be used, or alternative equivalent. For questions relating to classification types but not specified by the entity's sector classification system used, please refer to industry practices.
- Responses provided in the survey shall be for the reporting entity only, and should not include any group totals.
- If data is not available, do not enter '0', leave blank and provide a reason for incompleteness. Only enter '0' when there is zero of that activity.
